

Announcing An Upgrade To Your Identity Theft Protection Benefit

YOU'LL GET MORE COMPREHENSIVE COVERAGE WITH LIFELOCK BENEFIT ELITE.

We're happy to inform you that your identity theft protection benefit is being upgraded from LifeLock Basic to LifeLock Benefit Elite. Some of the additional features you'll get include:

INVESTMENT ACCOUNT ACTIVITY ALERTS

Review your investment account activity and get alerts for cash withdrawals and balance transfers to help detect fraudulent activity.*

DATA BREACH NOTIFICATION

Your identity is virtually everywhere. Doctors, insurance companies, employers, even your favorite retailers. We'll let you know about publicly reported large scale security breaches so you can take action to help protect your personal information.

LIFELOCK PRIVACY MONITOR™ TOOL

Your personal information may be available to anyone online. Your name, address and age can be found with just a few keystrokes. LifeLock Privacy Monitor™ tool searches a list of common people-search websites and Internet-based advertising companies to find your information. We can then help you opt out of these databases and remove or suppress your information.

COURT RECORDS SCANNING

Monthly court record checks for matches of your name and date of birth to criminal activity to help protect you from being falsely linked to arrests and convictions you know nothing about.

INTERESTED IN EVEN MORE PROTECTION?

You now have the option to upgrade to LifeLock Ultimate Plus , our most comprehensive protection. Along with the features available with LifeLock Benefit Elite, you'll also get:

CHECKING AND SAVINGS ACCOUNT APPLICATION ALERTS*

Continuously searches for your personal information in new bank account applications at national banks, local banks and credit unions from coast to coast.

BANK ACCOUNT TAKEOVER ALERTS*

Smart identity thieves use their computers to take over accounts or add new account holders to existing accounts. LifeLock helps protect your finances by monitoring for these changes.

CREDIT INQUIRY ALERTS*

Lenders make credit inquiries when someone submits a card application. We monitor for suspicious activity and you can respond if the application is fraudulent.

PRIORITY LIVE MEMBER SUPPORT

Skip the wait and move to the front of the line to speak with a U.S.-based Member Services Agent available to answer your questions.
